DETAILED ACTION

Allowable Subject Matter

Claims 1-11 and 14-17 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art fails to disclose and/or make obvious a cutting insert for metal working operations comprised of an insert body having a top and bottom surface, a core defined by two pairs of core sides wherein each pair of core sides form a core angle with one another; a first cutting portion and a second cutting portion each having a pair of tip sides having top edges converging at a tip angle to form a cutting tip and a bisector line bisecting the tip angle, each cutting portion extending from the core where in a plan view, the bisector line of the first cutting portion is offset from and parallel to the bisector line of the second cutting portion and wherein the tip angle is less than the core angle.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Willmon Fridle Jr. whose telephone number is 571-272-4476. The examiner can normally be reached on Monday thru Thursday 9-6pm.
